Transfer Credit Requirements

The University may accept a maximum of 90 semester credit hours in transfer toward the bachelor's degree for coursework completed at an accredited or approved college or university with a grade of "C-" or better. Visit the [Transfer Credit Policy](#) in the NU Catalog for additional information.

Note regarding Transfer Credits for the Core Sequence

The NU Bachelors of Psychology program has two options:

1. The General Psychology programs core sequence includes 12 credit hours of open electives and 12 credit hours of specialization courses that the students can select. Students that enroll into the General Psychology degree may be able to transfer up to 24 credits of open electives.
2. The FastForward specialization core sequence includes 12 credit hours of electives and 12 credit hours of Master-level specialization courses prescribed by the Dean. Students that enroll into a BA Psychology FastForward specialization, may be able to transfer up to 12 credit hours of open electives.

Evaluation of Transfer Credit

The University has evaluated the content and competencies of the following Prior Learning Assessment pathways. Students and prospective students must submit an official transcript for evaluation prior to completion the NU courses listed in the crosswalk below to:

*Office of the Registrar
National University – Scottsdale Service Center
8667 E. Hartford Drive, Suite 100
Scottsdale, AZ 85255*
